

Attn: School Officials

I provide this letter as a parent that is concerned about the health and safety of students in our school system. **I am in full support of the peanut free and/or nut free policy of our school** and respect the decision of the School to implement this policy.

I would like to inform you that **I will be sending WOWBUTTER in my child’s lunch as a 100% Peanut & Nut Free peanut butter replacement** for the entire school year.

We need to use this product to provide our child with a **healthy and nutritious lunch** while at the same time **ensuring the safety of peanut and tree nut allergic students** at school.

This product looks, smells and tastes just like peanut butter and I encourage you to find out more information about **WOWBUTTER** on the website www.WOWBUTTER.com. It will provide re-assurance that the product is safe for schools and verification that it is manufactured in a dedicated 100% Peanut and Nut Free facility. **WOWBUTTER will not affect anyone with strictly a peanut and/or tree nut allergy who smells, ingests or comes in contact with this product.**

I am providing this letter as part of the **School-For-School Lunch Procedure** that I am following that is detailed on the www.WOWBUTTER.com website. If you require more assurance than this annual letter of my intentions and commitment to **send WOWBUTTER as a peanut butter replacement to school**, I can apply “MADE WITH WOWBUTTER” Labels to every lunch as seen above. These labels are downloaded and printed from the www.School-Lunch-Labels.com website or cut out from the WOWBUTTER jar label and applied to all sandwiches and/or products containing this product.

I trust you understand my need to use WOWBUTTER and see the importance of respecting my decision to send a safe and nutritious product for my child’s lunches. Please sign this letter and return it with my child as confirmation that you have read this letter. Please indicate by checking the appropriate box as to whether I am required to label every home made product that is sent containing **WOWBUTTER**.

Please inform other kids in the class about WOWBUTTER to further educate them about acceptable foods for a peanut and/or nut free school environment. I appreciate your understanding and commitment regarding the use of WOWBUTTER and working with me on our common goal of safe, happy, healthy children. School Posters for the classroom are available and can be downloaded and printed from the WOWBUTTER.com website to remind students to label lunch items containing WOWBUTTER.

Sincerely,

School Official, please check which one applies:

– Does not need to label every item

– Must label every item

WOWBUTTER: Bridging the gap between allergic and non allergic students in order to provide a healthier, safer, more united and happier school environment!
