

SCHOOLSAFE SOYBUTTER

Attn: School Officials

I provide this letter as a parent that is concerned about the health and safety of students in our school system. **I am in full support of the peanut free and/or tree nut free policy of our school** and respect the decision of the School to implement this policy.

In full support of the peanut free and/or tree nut free policy of our school, I would like to inform you that **I will be sending SchoolSafe SoyButter in my child's lunch as a 100% Nut Free** peanut butter replacement for the entire school year.

We need to use SchoolSafe SoyButter to provide our child with a **healthy and nutritious lunch** while at the same time **ensuring the safety of peanut and/or tree nut allergic students** at school.

This product looks like, smells like and tastes just like peanut butter and I encourage you to find out more information about SchoolSafe SoyButter on the website **SchoolSafeFood.com**. It will provide re-assurance that the product is safe for schools and verification that it is manufactured in a dedicated 100% Nut Free facility. **SchoolSafe SoyButter will not affect anyone with strictly a peanut and/or tree nut allergy who smells, ingests or comes in contact with this product.**

I am providing this letter as part of the **SchoolSafe Procedure** that I am following that is detailed on the SchoolSafeFood.com website. If you require more assurance than this annual letter of my intentions and commitment to send only SchoolSafe SoyButter as a peanut butter replacement to school, I can apply SchoolSafe Labels as seen above. These labels can be downloaded and printed from the SchoolSafeFood.com website and applied to all sandwiches and/or products containing SchoolSafe SoyButter.

I trust you understand my need for SchoolSafe SoyButter and see the importance of allowing me to send a safe and nutritious product for my child's lunches. Please sign this letter and return it with my child as your acceptance of SchoolSafe SoyButter as a product acceptable for my child's lunch. Please indicate by checking the appropriate box as to whether I am required to label every home made product that is sent containing SchoolSafe SoyButter.

I appreciate your understanding and commitment to working with me on the common goal of safe, happy, healthy children.

Sincerely,
